Hey friend, thank you for reaching out to my blog to get your free gift. This worksheet contains four powerful questions that you can apply to your personal life, relationships, business or any other aspect of life you want to. This is discovered by Dan Sullivan. You can use it to improve your vision for your life and to enhance your communication skills.

Let's start

Q.1 If we were meeting three years from now, what has to have happened during that three-year period for you to feel happy about your progress?

Q.2 What are the biggest dangers you will have to face and deal with in order to achieve that progress?

Q.3 What are the biggest opportunities that you would need to focus on and capture to achieve those things?
